Pray for: City Church International

[www.ccihk.com](http://www.ccihk.com)

(Located in Kwun Tong Founding Pastors Rob & Glenda Rufus, Pastors: Ryan & Kylie Rufus)  
City Church International was started on the 4 June 2004 by Rob and Glenda Rufus. The first meeting was held in their home in Sai Kung with eighteen people in attendance. It met there for next three months growing steadily until the house became too small to hold everyone. CCI then moved into the Hi-Tech center in Kowloon Bay. There it continued to grow, reaching both local Chinese people and foreigners alike. The headphone translation system was first introduced there but in recent times we have moved to up front translation for the entire service as a means to reach more local Chinese people. After two years of being in the Hi-Tech center we decided to move again to a more central location that would serve us better. We relocated to Yau Ma Tei, to meet in a theatre in the YWCA main hall on Man Fuk Road. We are currently around 150 members made up of an equal amount of local Chinese people and foreigners.  
"To bring people to Jesus and membership in His family. To develop them into Christ-like maturity and equip them for their ministry in the church and their life mission in the world in order to magnify God's name" is the church's mission

Pray for: Jesus in Mong Kok Church

Easter 2016 will mark the 8th year of Pastor Ken Harley and his friends serving Jesus in Mongkok, Hong Kong. Pastor Ken sees JESUS ministering and encouraging people in Mongkok and Hong Kong-- THEN WE MUST FOLLOW JESUS!

Jesus in Mongkok was developed when Pastor Ken Harley saw a vision of Jesus in 2007 walking in Mongkok as a giant walking through Sai Yeung Choi Street. Pastor Ken then felt 'the call' to follow Jesus and serve, love and pray for people in the Mongkok area of Kowloon and throughout Hong Kong.

Please pray for Pastor Ken, his family and friends that they will continue to share Jesus' love with the lost and needy in Mongkok and Hong Kong. Please pray for those in despair in Mongkok and throughout Hong Kong that they will meet Jesus, the Great Shepherd and they will rest in Him and experience His Healing, Love and Joy! Amen.

Pray for: Faith Community Church  
(HK island Shouson Hill, Teaching Pastor Stephen Wong)

[www.faithcommunitychurch.org.hk](http://www.faithcommunitychurch.org.hk)

We are a community of faith helping people to find God and make Him real in their lives, meeting on the south side of Hong Kong Island.

Our church began around 20 years ago as a layman's church—a church run by ordinary people seeking God together and studying His Word together; an evangelical, interdenominational community comprising the gifts, service, and participation of all.

Prayers much appreciated for Faith Community Church:

May God our Heavenly Father grant us the spirit of wisdom and revelation, so that we may know Him better (Eph 1:17). In this way, the church may grow in breadth in numbers, and depth in spiritual maturity.

May the Lord Jesus empower the Ministry Teams be built up, to stand firm in one spirit, and contend as one man for the faith of the Gospel (Phil 1:27). In this way, we work together to fulfill FCC's mission to help people find God and make Him real in their lives.

May the Holy Spirit our Counselor prompt us to have clean hands and pure hearts, and guide us into all truth, so that members, newcomers and visitors may experience God with conviction.

Pray for: Christian Gospel Church Of Love  
<http://www.yanoivolunteer.org.hk/position.htm>

Yan Oi Church was started by an Australian missionary Don Smyth in the 1980's in Yuen Long. Don has gone on to start other works here in Hong Kong but In the late 90's Don left the work to the collection of Chinese associates and Lam Chun Wah (林春和牧師) was put in a place of

leadership and has led the work since that time. They later came under the greater umbrella of the Hong Kong Assemblies of God and expanded to plant 5 churches aside from Yuen Long. In chronological order there was a work in Sheung Shui, then in Tuen Mun, in Mong Kok and Kwun Tong. Each location has somewhat over 100 people who are regular except for Sheung Shui which maybe several hundred because of the outreach that Chu Hong Pong has made who will soon be ordained as a full pastor status.

Pray for: The Vine

(Wanchai, Senior Pastor Andrew Gardener)

[www.thevine.org.hk](http://www.thevine.org.hk)

The Vine is a dynamic community of faith in the heart of the Hong Kong called to creatively build the family of God by the intimate presence of Jesus Christ. Our vision is to 'grow big people', to see all people deepen their relationship with Jesus and to 'attain to the full measure of the fullness of Christ'. We are also passionate about justice and believe that God's heart of justice drives us to serve and work amongst the most poor, vulnerable, and broken in our city.

Prayer Requests:

- In 2016 God is inviting us into a deeper intimacy with him and a more authentic relationship with one another. Pray we will discern together how best we can achieve this in our individual and corporate lives.
- God has told us we need to 'slow down' as a church so we can be more present with God and each other. That's counter-cultural in a city like Hong Kong. Pray we will hear God's call and do everything we can to live in an unhurried way this year.
- Pray for the Refugee and Asylum Seekers we serve - that they would know communion with God and see his miraculous power at work in their lives.

- Pray for our upcoming conference - The Justice Conference Asia - from May 13-14. Pray God will use the conference to spark a passionate and practical heart for the poor, and that we would see more NGO's and Churches across Asia working together for Kingdom purposes.
- Pray for our leadership as we wrestle with how we can handle the pressures on our facilities as we continue to grow as a church.

Pray for: St Stephen's Society [www.ststephenssociety.com](http://www.ststephenssociety.com)

St. Stephen's Society exists to preach the gospel, reach the poor and see people set free through faith in Jesus Christ. Our heart is to go to the ends of the earth to make disciples.

Jackie Pullinger came from England to Hong Kong over 40 years ago. She started sharing the love of Jesus Christ with gangsters and the poor in the Kowloon Walled City. She began to see them set free from drug addiction and start new lives. Today, many of the people who met Jesus and came off drugs in Hong Kong have gone to other countries in Asia to share what Jesus has done.

We are still dealing with all kinds of addictions. We have several homes where those with such problems can come, meet Jesus, be set free and healed, and learn what it is to follow Him.

Our heart is not that they stay and live with us, but that once they have tasted of His sweetness, they will go to the ends of the earth to share what they have tasted. So now, we have those who have gone out from here, live in the poorest countries of Asia and the Indian Subcontinent and share the Gospel with those who have not yet heard

Please pray for the Lord's continued blessing on Jackie and her team at St Stephen's Society and its bi-lingual services at its Vineyard services

Pastor Joshua Cheung has come through an amazing journey all the way from going to Canada to be a pastor then to transfer to learn more at Agape Ministries in Los Angeles, to submitting himself to Pastor Chow in Taiwan under the Bread of Life Church there. From that point he felt led to return to Hong Kong to start and branch church in 2001. Now after 15 years it has multiplied to close to 10,000 and yet growing. May God continue to give breakthroughs for All the churches here as there are many to fully embrace God's heart in Jesus Christ our Savior.

We are a multicultural, interdenominational English Cantonese speaking church that meets regularly in the heart of Hong Kong. We have an extraordinary mission – to truly know and enjoy the Living God! Along with millions of others across this great nation, we believe that there is no greater hope for turning the world right-side up than the transforming power of God's love

Island City Church began in 1995 in Lan Kwai Fong as an expat church but over the last 20 years has developed into a fellowship that is home to International & local Chinese alike. Our prayer needs include the number of young people that have been joining the church that we can see them disciplined as well as for us to continue to integrate the International and Chinese cultures into the life of Island City Church

Sun Mar 27 Easter Sunday

Read (and/or download Bible.is app) Matt 28:1-10

Pray: Father, as we celebrate the resurrection of your son, we pray for the Unity (Eph 4:1-6) of the churches in Hong Kong. We pray that this year's Lent initiative would spur us on to become one church. On this Easter Sunday, we pray for the witness of churches to the saving power of Jesus. Fill us with boldness Lord as we proclaim the Good News of Easter Amen
